

AUSSIE BORN & BRED

# BOOTS THAT LIVE TO RIDE

805025

805070

Sizes 3-13 (6.5–10.5 half sizes)

This boot is a nod to our past. Acknowledging that it was our success with the riding boot in the early days that paved the way for Mongrel Boots to become what it is today. We still manufacture our riding boots in Sydney, Australia by blocking a single piece of premium cowhide leather to create a seamless vamp. The timeless shape of this boot means it never goes out of fashion, and we've added a cushion TPU/PU sole to showcase how far it's come. Top all this off with an OrthoTec footbed, leather lining and a rigid instep shank, and you've got yourself a thoroughbred Australian riding boot. Pull it on to go outback, or amongst the hustle & bustle of the big smoke.
