

Downloading a Printable Gift Voucher Design

Select one of the Designs available

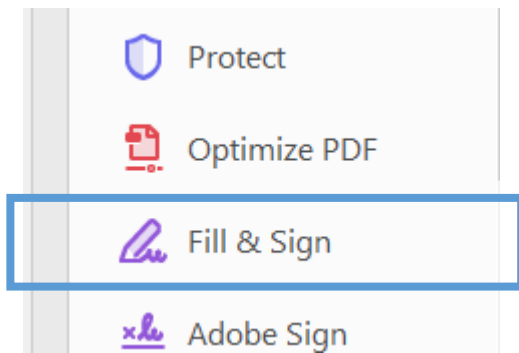

Save the PDF in an easy to find place (we recommend your desktop)

Open the PDF in Adobe Reader.

On the right-side panel, select 'Fill & Sign'.

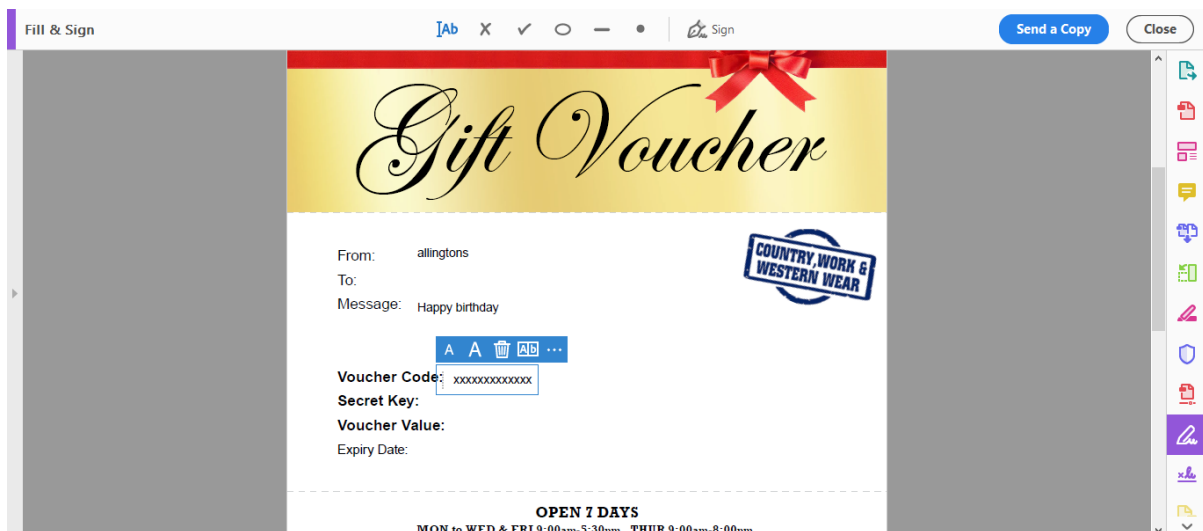

Move the cursor to the desired position on the page, Left click and type in voucher information.

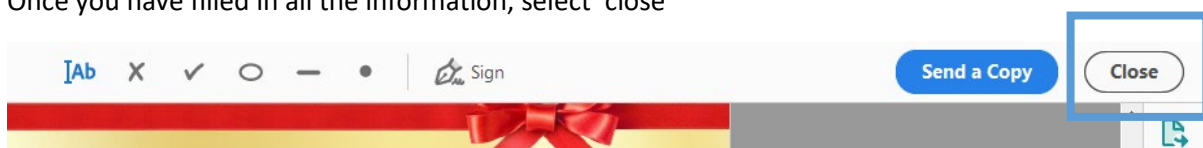

Repeat process for each field. (you will find this information in your email)

1. From
2. To
3. Message
4. Voucher Code
5. Secret Key
6. Voucher Value
7. Expiry Date

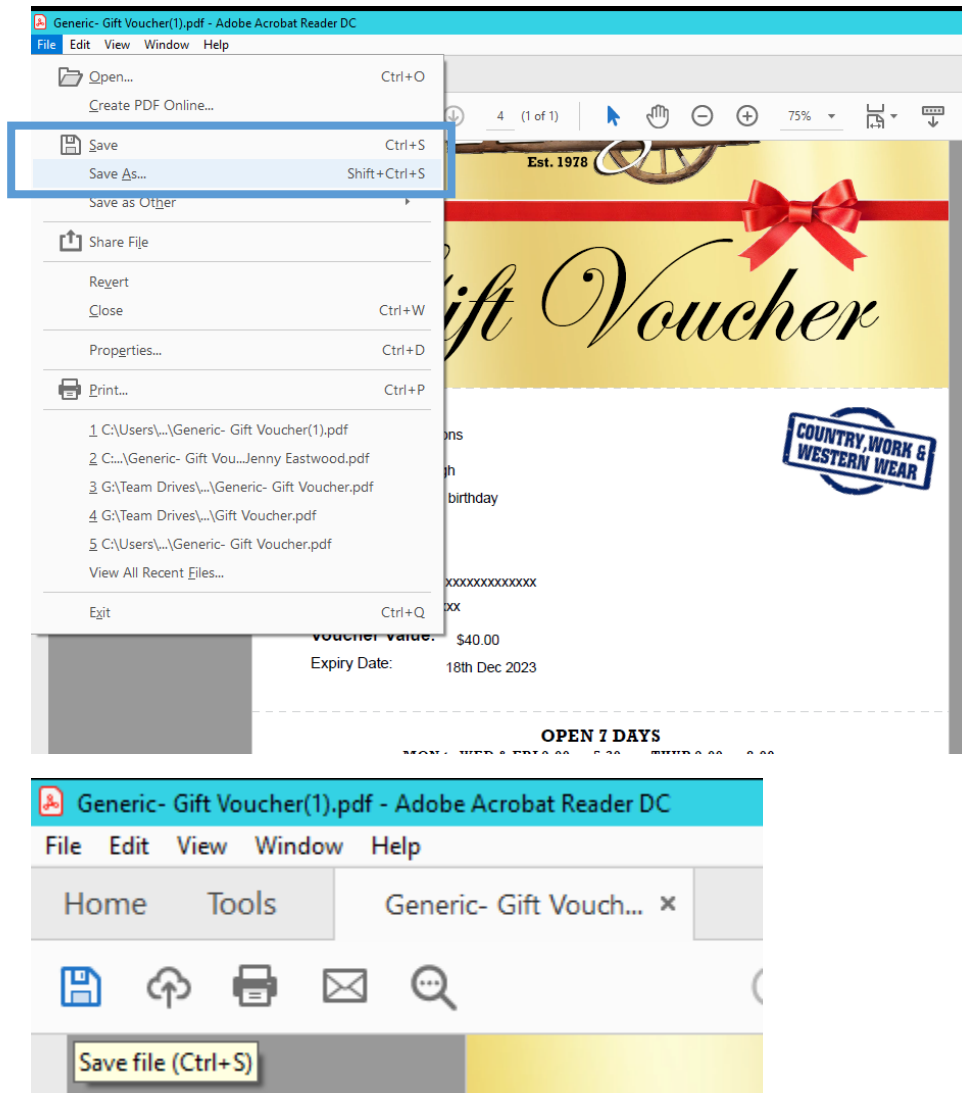

Don't worry if you have not lined things up, you are able to move the text boxes around.

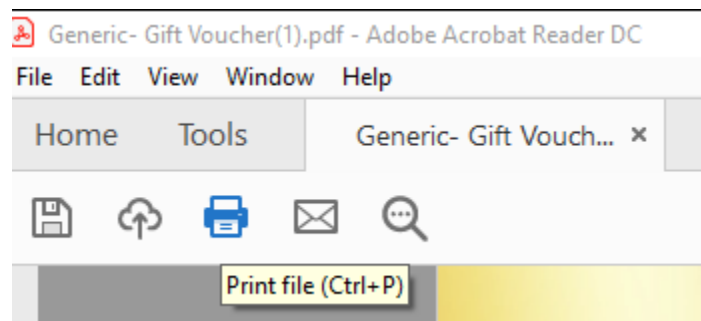

Once you have filled in all the information, select 'close'

Now resave your file.

Print your file

You now have a Gift Voucher Design!
